Affordable Secured Solutions

Nite Drop Zone

The Nit Drop Zone offers your customer the ultimate in after hours convenience when dropping off vehicles and keys. Our convenient, reliable and secure answer to late night or early morning service department business provides your dealership with simple, smart affordable ways to be of service to your customers, even when you're not there!

Night Drop Zone

Give your customers the convenience they deserve with the Nite Drop Zone. To drop off their vehicle keys, or rental keys, customers simply complete a convenient and familiar service envelope, insert their keys and then drop the envelope in the Nite Drop Zone Vault. Easy to understand decals explain the process. There's no need for a separate mail slot. Its time to avoid lost keys, smudge envelopes etc. Even improve your service revenue by displaying specials in the envelope holder place card.

Heavy Duty steel construction with a durable powder coat finish

Weather resistant

No worry theft resistant design, once envelope is deposited into the vault it cannot be removed without key

Convenient pull down writing surface uses gas props to assist motion

Easy bolt through wall installation
