Budget-Queue Premier Take a Number System

Expedite the customer service process with our Budget-Queue Model: BQ-W-10003 take-a-number kit with white tickets! This take-a-number system helps provide organized, fair customer service while ensuring that customers can be served in order without having to defend their place in line. This helps to boost customer satisfaction while allowing your employees to focus on more important tasks instead. The kit comes with everything you'll need to run your take a number system efficiently!

This system's ticket dispenser attaches to a 55" floor stand that is topped with an attention-grabbing sign reading "customer service number." A roll of 3000 tickets ensures that you'll be in good supply! The digital display readout clearly displays the number of the customer currently being served, while the convenient remote allows you to operate the display from a distance. This all-inclusive kit is perfect for improving the customer experience in delis, seafood and meat counters, butcher shops, customer solutions departments, client check-ins, and waiting rooms!
