**NEW  
Audio Voice  
Announcement  
Take a Number  
System**

Provide your customers  
with the comfort of knowing  
when they will  
be served next

Your customers will always be served faster and in the order in which they arrived with a take a number system. Customers can relax without having to compete for service when you use Next-Please! Take a Number Systems. With a variety of ticket options and a large easy read display, the Next Please Take a Number system is economically priced , easy to set up and user friendly.

The Voice Alert 5120V display combines the industry standard solid state take-a-number display with an integrated audio voice announcement unit. Every time the "now serving" number is changed the system will audibly announce the current number showing on the display.

### Wireless Operation

With our convenient remote control you can advance the numbers, go back a number, or reset the numbers. Multiple remotes can be utilized within line of sight for up to 30 feet. Every display is equipped with an internal audio voice announcement system with simple easy to follow installation instruction, customizing your Take a Number System has never been easier
