

# Dural-Tag

New and Innovative **Textile** Anti-Theft Tags

By Time Access Systems Inc.

**SO SMALL YET,  
SO POWERFUL  
AND COMPATIBLE!**

Time Access Systems Dural-Tag is the smallest anti-theft tag on the market today. It is available in Black which will compliment any retail décor.

### **Small Size/Lightweight**

Upgrade from traditional tags. The Duraltag is visibly different by its size and its weight thus allowing it an easy fit without discomfort for the customer and no damage to the garment.

It is virtually undetectable to shoplifters.

### **Duraltag specifications:**

Diameter: 33mm  
Height: 33mm  
Weight: 7.1g  
Pin Length: 4.5mm

### **Highly Secured Tag**

With its light and robust construction the Duraltag is a highly secure tag.

- High Tech patented 4 ball-bearing non magnetic laser cut lock
- Large non magnetic security pin
- A unique ergonomic design, resistant to cutting with pliers or other tools
- Robust construction, resistant to crushing or smashing the tag.
