BP-125 Heavy Duty Time Portable Recorder for All Sorts of Businesses

BP-125 Innovative Battery Powered Heavy Duty Time Recorder
This portable recorder accurately records time anywhere and operates when AC power is not available or during power interruptions. Perfect for remote locations or mobile operations.

FEATURES

Recorders accurately advance minute, hour and day/date. Manual advance month wheel. Clock is directly geared to type wheels so time on face matches the time stamped. Automatic ribbon feed and reverse ensures long ribbon use and easy replacement. Desk or wall-mount recorders are easy to install. Time cards easy to align, accepts standard time cards, PM hours underlined. Rugged ABS Construction is rust and corrosion-proof. One-year warranty.

Lost minutes could be costing you thousands of dollars per year.

Take control of your labor costs today with an Time Access Systems time recorder. Your investment will pay for itself quickly because tracking employee time and attendance saves your business time and money. Employees that take a few extra minutes of company time for his or her own personal use affects your bottom line. Those minutes add up over time and before you know it a couple of dollars compound into hundreds of dollars. Just review the chart below to see how valuable time tracking is to your business. Based on 250 working days per year, the chart shows the cost of time lost at the conservative rate of 20 minutes a day.

HOURLY RATE	COST PER MINUTE	NUMBER OF EMPLOYEES					
		2	5	10	25	50	100
\$6.00	\$0.1000	\$1,000	\$2,500	\$5,000	\$12,500	\$25,000	\$50,000
\$8.00	\$0.1333	\$1,333	\$3,333	\$6,667	\$16,667	\$33,333	\$66,667
\$12.00	\$0.2000	\$2,000	\$5,000	\$10,000	\$25,000	\$50,000	\$100,000

Benefits of Tracking Time:

- Eliminates the uncertainties of handwritten record . Provides legible records of hours worked.
- Conforms to State and Federal Wage and Hour Laws by providing permanent, accurate and indisputable records of employee's arrival and departing times.
- Reduce tardines , long breaks and early departures.
- Increase production and provide the correct cost of a finished product/ope action.
- Eliminates disputes regarding pa .

Heavy Duty Time Recorders have unlimited applications for tracking time for employee's hours and job costing.
